 **Pork Items**

Menu Items that contain pork are highlighted in yellow

**Did you know?** .....

December is the last month in the Gregorian calendar. Its name is based on the Latin term for ten. In the Roman calendar, December was the tenth month until the addition of January and February at the beginning of the year. In the Northern Hemisphere December has the shortest daylight hours and marks the beginning of winter.

\*Menu is subject to change due to vendor food shortages and NDS staffing
